

Full Content Available in Content Aggregator

From the Editor:

With this issue of the *Journal of Applied Research in Clinical and Experimental Therapeutics* (jarcet.com), the full journal contents of the journal will be available on EBSCO's content database.

All EBSCO Publishing proprietary, consumer health, and medical information found on this site is accredited by URAC. URAC's Health Web Site Accreditation Program requires compliance with 53 rigorous standards of quality and accountability, verified by independent audits. To send comments or feedback to our Editorial Team regarding the content please email us at HLEditorialTeam@ebscohost.com.

The Journal is peer reviewed and indexed in numerous other major databases such as EMBASE, ChemPort, Current Abstracts in the Biological Sciences, and the Cumulative Index to Nursing and Allied Health Literature. It circulates to medical school libraries in the US and all 100+ bed hospital libraries. It is a true "open access," journal, and all content is accessible worldwide, without barrier, on the journal's website.
